Statement of Agreement

Kings Christian School, Inc. is committed to excellence in academic achievement and quality of instruction. The services of Kings Christian School, Inc. are available to any student regardless of race, color, national or ethnic origin, provided the student and parents are willing to meet the achievement, behavioral, moral and biblical standards of the school. It recognizes Christian education as the expression of an idea which can only be realized in the integration of the TOTAL PERSON under the Lordship of Jesus Christ. This involves meeting the student's spiritual, moral, academic, physical and social needs, and is best accomplished through the complimentary efforts of the school, the home, and the church.

The highest pattern for Christian conduct is in conforming to the image of Jesus Christ. (Romans 8:29) The purpose of Christian education is to teach all students with all possible wisdom seeking to bring each one into God's presence as a mature individual, conformed to Christ's image and in union with Him. (Colossians 1:28)

The school reserves the right, within its sole discretion, to refuse admission of an applicant or to discontinue enrollment of a student if the atmosphere or conduct within a particular home or the activities of the student are counter to or are in opposition to the biblical lifestyle the school teaches. This includes, but not necessarily limited to, participation in, supporting, or condoning sexual immorality, homosexual activity, or bisexual activity, promoting such practices; or being unable to support the moral principles of the school (see Leviticus 20:13 and Romans 1:27).

Individual commitment to Jesus Christ is voluntary in nature; therefore, the school does not force students to subscribe to a particular belief. The student is confronted with the person of Jesus Christ and is invited to become acquainted with biblical principles basic to the formulation of a Christian lifestyle. Students are encouraged to make a personal commitment to Jesus Christ, to learn the meaning of that commitment, and to demonstrate discipleship in serving God and man. The school is designed to assist the student to grow morally and academically.

Teachers and staff will actively promote a high standard of personal conduct in our students in area of dress, grooming, and personal behavior. Virtues to be stressed include honesty, clean speech, respect for God, for persons, and for property. Specific standards of behavior are stated in the Student/Parent Handbook. These will be instituted by classroom teachers to create the finest possible environment for learning and development.

Kings Christian School, Inc. will hold each student responsible for these standards while attending school. A family joining as a member of the school family registers understanding of the school's standards and pledges support of these regulations even in areas where they may have no personal convictions. A student unwilling to abide by these regulations or who gives evidence of being out of harmony with the goals, beliefs and objectives of KCS, may be subject to disciplinary action and may be asked to withdraw.

I give KCS permission for my child to take part in all school activities, including bus trips, sports activities and school sponsored trips away for the school premises.

I give KCS permission to use photos/snapshots of our child for press releases and other advertising materials as deemed appropriate by the School Administrator.

I further agree that should legal action, for any reason, be taken against Kings Christian School, Inc. or any agent thereof on my child's behalf and the school or its agent is found not to be at fault, I will pay any attorney and court fees, damages, or other costs that Kings Christian School, Inc. or its agent should incur to defend against such action.

I have read the above statements and agree to be supportive of these beliefs, goals and policies. I am familiar with the standards stated in the Student/Parent Handbook and agree that my child shall be subject to them. I hereby indicate my trust in the teachers and staff of Kings Christian School, Inc. to provide an excellent environment for learning and for growth, and to exercise appropriate discipline when necessary.

This Statement of Agreement will be in effect for as long as my children attend Kings Christian School, Inc.

I also accept responsibility for paying the tuition/fees of my student (s).

SUBSTANCE ABUSE TESTING CONSENT FORM

(REQUIRED FOR KINGS CHRISTIAN SCHOOL ENROLLMENT)

Family Name: _____

Parental and student consent and agreement to the following policy is required prior to enrolling or re-enrolling at KCS and KCHS. Students should anticipate having to submit to substance abuse testing for the following reasons:

1. Random and/or general suspicion. Kings Christian School athletics has a general policy of random drug testing. These tests may be taken weekly, biweekly or monthly. All athletes of the sports being played at the time of the testing will be placed in the pool from which names will be selected to submit a sample. Refer to the "Athletic Department" handbooks and policies for further information pertaining to athlete random drug testing. Additionally, as a result of concern about some general student body behavior or persistent rumors about specific students, KCS may institute periodic random or selective testing during a particular school year. However, students will not be requested to submit a sample more than twice in a single school year unless they are/become categorized into reasons 2 and 3 noted below.
2. Cause or individualized suspicion. Testing will be required if two or more members of the faculty, staff, or administration see physical evidence or medically acknowledged signs of substance abuse. Testing will also be required if a faculty investigation determines that there is a reasonable basis to suspect that a report of substance abuse from student(s), parents(s), other persons may be accurate. If cause or suspicion is warranted, the administration will require substance abuse testing as a condition of continued enrollment.
3. A condition of admission or re-enrollment. If the school administration suspects that the student may have a history of substance abuse, initial and periodic testing may be required as a condition of enrollment.

Such substance abuse testing shall consist of oral or urine testing done by the KCS staff (usually the school nurse). Refusal by a student to submit the sample at the time requested shall be treated the same as if the result was positive, in terms of consequences. A student's willingness to submit a sample at a later time (even as little as a few hours) shall not remove the documentation of the "effective" positive result (due to not submitting a sample previously) from the student's file, but may be considered by the administration when determining consequences. Because of the increased acceptance by society of substance abuse testing and "chain of custody" issues, other testing alternatives (by parents or doctors) will not be considered acceptable. The school administration will only discuss positive test results with those who must be informed to provide needed direction during the course of the student's educational experience at KCS/KCHS. The school will not publish any results of testing and will not discuss the results with non-related parents, other students, faculty or staff except on a need-to-know basis. The cost of the testing shall be at the expense of the student(s), his/her parent(s), or guardian(s) if the results are positive or testing is a condition of admission or continued enrollment. When the results are positive, alternate method testing of the sample will automatically occur to confirm the results. The school will incur the expense if the results are negative and testing is not a condition of attendance. **Confirmed positive results from substance abuse testing, after follow-up testing if requested, may result in the student's expulsion from KCS/KCHS.**

Police reports will be made for all illegal substances found at school. The following signatures indicate that this entire document has been read and understood and that student acknowledgement and parental consent is hereby provided.

TUITION DISCOUNT REFERRAL PROGRAM

Kings Christian School, Inc. will again offer the **Family Tuition Discount Referral** for this school year. This is a wonderful opportunity for KCS families to share with family and friends about Kings Christian School.

Here's how it works:

A KCS family shares and refers a new family to Kings Christian School, and that family enrolls their children. Both families would receive a \$500 tuition discount to be applied in July of 2012. (Both families are required to complete the full school year to be eligible for the discount). Should either family withdraw before the school year is completed, the discount will be null and void for both families. There is a limit of two referrals per family (or \$1,000 credit per family). This form must be attached to your application. **Forms turned in after application has been received will not qualify.**

If you have any questions, please contact the office at 924-8301.

Thank you,
KCS Business Office

I was referred to Kings Christian School by _____.

I understand that this referral entitles the above family to a \$500 family tuition discount for the 2011-2012 school year, as well as a \$500 discount for our family.

I also understand that this discount will not be applied until July 2012 and that both families must complete the school year or the discount will be null and void for both families.
