KINGS CHRISTIAN SCHOOL FAMILY BUSINESS DIRECTORY

The purpose of the KCS Family Business Directory is to feature local businesses that our school families own and operate. As Christians we are called to love and support one another. During these hard economic times, patronizing the businesses of our KCS families is one way we can do that.

If you have your own business and would like to be featured in this directory, please fill out the form at the back of this directory and return to the school office. If you are already featured in this directory and need to change your contact information, please call Leslie Reynolds at 924-8301, ext. 107. The directory will be updated as needed.

Thank you for your support of our KCS community.
